

Join the Virginia Circle of Heroes

Show Your Support for Virginia Veterans & Their Families

Dear Friends:

The Virginia Veterans Services Foundation is committed to serving those who unselfishly served all of us. To achieve this goal, we need committed people like you. You have shown you believe in our mission. So, today, we're inviting you to join our Virginia Circle of Heroes giving program.

As a member of the Virginia Circle of Heroes, you will be part of an extraordinary group of donors who are working diligently to assist our veterans through a recurring monthly donation. This is a special and unique group of heroes helping heroes. Heroes who want to provide a protective circle of critical services and programs for our heroes who wore the uniform and now find themselves in need of assistance.

Nearly 720,000 veterans call our Commonwealth their home – one of the largest percentages of veterans per population of any state in America. Our Virginia veterans served through wartime and peace wherever and whenever they were needed throughout the world. These men and women come from all walks of life and served in every branch of service. We can't let them down in their time of need.

As you are probably aware, The Virginia Veterans Services Foundation provides supplemental funding when government resources are not available, for a broad range of programs in areas such as homelessness, behavioral health, education, employment, and many more. The Foundation depends solely on the generosity of corporations, organizations and individuals who care like you and me.

What's more, 100% of all contributions to the Virginia Veterans Services Foundation go directly to assisting veterans in crisis. Not one penny of your donation is used for administrative costs.

It's easy and simple to join the Virginia Circle of Heroes. Just visit our website www.vvsf.org and sign up. Your monthly donation can be made through the designated online recurring donation or a monthly check sent to the VVSF office. Becoming a Circle of Heroes member shows your unwavering commitment to serving those who have served us. Your name, or the name of your organization or business will also be recognized on our website.

Won't you join us in our mission to sustain the financial support needed to meet the challenges our veterans and their families face today and will continue to face in the years ahead? Together, we can and we will make sure we never forget our Virginia veterans.

Thank you for your consideration and commitment.

Sincerely,

John Lesinski
Chair of the Board of Trustees
